Helping You With Your Funds

Did you know we can act on your behalf and hold your Option 1 Direct Payment funds? This is called our Brokerage Service.

We can make any payments on your behalf in line with the outcomes agreed on your assessment plan. We will have full responsibility for the funds in the account, but any payments will be pre-approved by you before being made.

You will continue to direct how you spend your budget as normal. If you would like to find out more about this service please get in touch with us.

There is no need to book. Just pop in for a coffee and a chat
