Self Directed Support Forum East Renfrewshire

Bulletin December 2026

Helping you take control of your Self-Directed Support

We`ve been awarded another year of funding!

We think that's something worth celebrating, and we'd love to celebrate it with YOU!

So come along, enjoy some festive fun, crafts, music, food, hot drinks and a good old festive catch-up with the SDS Forum Team!

Please just contact us to reserve your place so we can organise catering and make sure there's enough for everyone.

Let's celebrate together and look forward to another year of supporting our local community.

Eastwood House Giffnock
